RE: BEGINNER MARCH BREAK CAMP - geared towards casual riders and those who have never ridden before

Hello Parents and Campers!

We are so looking forward to having you join us for camp!

We want to make sure that everyone is prepared for a fun filled week, so here are a few reminders:

- Please bring/wear the appropriate riding apparel: A boot with a heel for safety purposes – no fashion boots please. Slim leg pants, like leggings – no jeans, capris, or shorts please. We will supply helmets for riders who do not have their own.
- We are a NUT AWARE facility. We often have campers that do have serious nut allergies, so please avoid lunch foods with any sort of nut.

Our camp day starts at 9AM, but camper drop off is any time after 8:30AM. Our day wraps up at 4PM with camper pick-up ending at 4:30PM.

The grand finale of our camp week is our family and friends show on Fridays from 1:30pm-2:30pm, and we would love for you to join us! At the show you will see what the campers have learned during their week at horse camp. We will need all family and friends to come in to the front office to sign waivers prior to the horse show.

Following our Friday horse shows we like to get everybody together for a potluck! Please bring your favorite snack to share with our campers, their families, and our camp team.

If your children require any special attention throughout camp, please do let our team know via email so that we can update the camp team and add the notes to our file.

To help you get a glimpse in to a day in the life of an Ian Millar School of Horsemanship day camper we have included a camp schedule that will take you through the plan for the week.

Please note: at WCP, safety is ALWAYS first. We are committed to the safety of our campers, horses, and team. We will adapt camp activities in order to mitigate any safety concerns (i.e. weather, power outage, etc...). We appreciate your understanding!

If you have any other questions or concerns please feel free to let us know.

We cannot wait to see you!
