We ask that you arrive five minutes before your scheduled lesson. The cost of the assessment is \$64.99 + HST.

Our instructors will assess new students on their ability to groom and tack up in addition to their riding level.

Please make sure that you are wearing the appropriate riding apparel. The rider is to be wearing a boot with a heel (paddock boots or long boots) and breeches/jodhpurs (slim like pants like leggings). We have helmets on site for school use if you do not have your own. After the assessment lesson, you'll need to purchase your own helmet if you haven't done so already.
